The image features a solid yellow background. At the top center is a black circular logo consisting of a grid of small dots. Below this, in the upper half of the slide, is a graphic illustration. It includes a yellow sun with blue rays, two white wind turbines with green blades, and a blue solar panel with a grid pattern. To the right of the wind turbines is a blue stylized cloud or wind symbol. In the lower half of the slide, the word "Installation" is written in a bold, dark blue sans-serif font. Directly beneath it, the words "Commercial" and "Solar PV, Battery Storage, Heat Recovery" are also in the same dark blue font. Below these, the words "Ventilation Systems & EV Charging" are in a slightly lighter shade of blue.

A composite image featuring two photographs. The left photograph shows two workers in dark uniforms and hard hats installing dark blue solar panels onto a red-tiled roof. A large green circular overlay is positioned in the upper-left corner, containing a white icon of a battery with a lightning bolt symbol. The right photograph is a close-up, low-angle shot of the textured surface of a solar panel, showing its grid pattern. A large green circular overlay is positioned in the upper-left corner of this image, containing a white icon of a leaf next to a power plug.

The image displays three separate smartphone screens, each showing a portion of the AZI logo. The first screen on the left shows the letters 'AZI' in a bold, sans-serif font, with the 'A' in teal, the 'Z' in grey, and the 'I' in orange. The second screen in the center shows a large red semi-circle above a white space, which is part of the 'G' in the logo. The third screen on the right shows the letters 'AZI' again, with the 'A' in green, the 'Z' in grey, and the 'I' in grey.
